

# LINE MARKER PAINT

Issue 4 – November 2008

- Description:** Cromar Line Marker Paint is a fast drying coating for line marking, surveying marking, car parking lines etc, on tarmac, concrete and grass.
- Colours:** Yellow, White, Red, Blue + Green.
- Directions:**
1. Shake can well for 1-2 minutes.
  2. Ensure surface to be marked is dry and clear of any grease or debris.
  3. The nearer the aerosol is to the ground, the more accurate and denser the line.
  4. After use, spray the marker paint upright to clear nozzle.
- Application:** Cromar Line Marker Paint is designed to provide clear, visible markings for contractors who require permanent marking of roadways when their work has been completed. Line Marker Paint is formulated with speed in mind, being a blend of pigment coloured resins and fast drying solvents designed to mark out in one application. It dries in 30 minutes and is fully cured in 24 hours. Line Marker can be fitted to a trolley or hand held applicator and is ideal for use on roads and pavements etc.
- Drying Time:** Drying times will be extended at low temperatures. Do not apply if ambient temperatures falls below 10°C or relative humidity exceeds 90%.
- Health & Safety:** Please refer to Health and Safety Data Sheet on Line Marker Paint
