

PVCU SOLVENT CLEANER

Issue 4 – November 2008

- Description:** PVCu Solvent Cleaner is designed as a cleaner for most types of white and veneered PVCu frames, sills, boards and panels. This solvent cleaner has a fruity pear drop type odour. This product is highly flammable.
- Uses:** Suitable for cleaning most PVCu including windows and garden furniture. This high specification solution it is quick drying and will remove practically all known contaminates such as grease, finger marks, labels etc without causing and damage to the plastic surface.
- Colour:** Clear liquid
- Packaging:** 1 litre packed 1 x 12
- Application:** Apply with a clean colourfast cloth, wipe away contamination and then polish with a clean dry cloth.
- Finishing:** It is the user's responsibility to dispose of all packaging correctly.
- Limitations:** Not suitable for use on all PVCu including laminated plastics. Always test on a hidden spot before use. It is the users responsibility to determine suitability. It is prudent that this fluid does not come into contact with paints, stains and varnishes. This will prevent any inadvertent damage to such coatings.
