

TECHNICAL DATASHEET

GRAFTERS – All Trades Wipes

Description & Uses

AlphaChem GRAFTERS All Trades Wipes have been specifically formulated for cleaning Sealants, Adhesives, Semi-Cured Paints, Polyurethanes, Expanding Foams, Polyester Fillers, & Epoxy Glues from hands as well as tools & other surfaces.

These fantastic wipes are the ideal cleaning aid for GRAFTERS of ALL TRADES and even contain an anti-bacterial additive to protect against bacteria commonly found in the home and work environment. And to make sure that your hands are looked after, even during the most arduous jobs, Lanolin, an effective moisturiser, has been added to the powerful cleaning formula.

GRAFTERS All Trades Wipes are dermatologically tested.

Directions

Remove lid from container and peel off the foil seal. Thread the wipe from the middle of the roll and through the opening in the lid. Replace the lid and you are ready to use GRAFTERS All Trades Wipes.

Use the wipes as required, always making sure to re-seal the lid once finished to prevent the wipes drying out.

Storage

Store in cool, dry conditions, away from direct sunlight. Ideally store between +5°C & +25°C.

Shelf Life

36 months from date of manufacture. Once opened use within 12 months.

Important Information

Do not use on porous surfaces such as untreated wood. Always test a small area first. Do not flush the wipe. Use only as directed. Store only in original container. It is the user's responsibility to ensure suitability for use. Technical Data and Safety Data available on request.
