

TECHNICAL DATASHEET

Mortar Stain Remover

Description & Uses

Cromar AlphaChem Mortar Stain Remover is a rapid, concentrated hydrochloric acid-based formula for dissolving cement and mortar stains on brickwork, concrete, paving and render. Can also be used for removing efflorescence.

Preparation and Directions

- Always wear appropriate protective gloves, clothing and eye/face protection during use.
- Read the Safety data sheet prior to use.
- Wet the area with water and test a small inconspicuous area before full scale use.
- Using neat, pour into a plastic container (never metal) and apply using a scrubbing brush to the substrate, working well to remove ingrained dirt.
- Leave for 20 minutes, then scrub again with clean water. Repeat if necessary. Thoroughly wash all areas with clean water after use to neutralise the cleaner and to remove loose dirt and grime.
- For use on patios ensure you dilute with water (1:1, always adding Mortar Stain Remover to the water, adding mortar stain to water could result in an adverse situation), apply and rinse with clean water as above.

Storage

KEEP OUT OF THE REACH OF CHILDREN.
Store in cool, dry conditions between +5°C and +25°C.

Shelf Life

24 months when stored in original, unopened packaging.

Limitations

- Always test a small inconspicuous area before full scale use.
- On sensitive areas dilution is recommended. Care should be taken when using on internal surfaces, natural stone and coloured paving – test a small area inconspicuous area before use.
- It is the user's responsibility to ensure suitability for use.

Technical Data

Chemical base	Concentrated acidic base
Concentration	16 – 20 %
pH	1
Colour and appearance	Yellow to pale green liquid
Odour	Pungent/acidic
Density	1.1 g/cm ³
Solubility	Soluble in water

Please read the label prior to use as it contains essential health and safety information. Further information is detailed on the Safety Data Sheet, it is advisable that you read the Safety Data Sheet as it contains additional Health and Safety information to that found on the label, available on request.
